WI-IAT'23 Closing

We want to express our gratitude to all the attendees, keynotes, panelists, speakers, volunteers, and other organizers who have made this WI-IAT'23 conference (I hope) a success.

We also thank our sponsors, in particular **IEEE TCII**.

We think that the connections made and knowledge shared during this conference will continue to drive progress and excellence in the world of WI and IAT, and definitely in *Artificial Intelligence in the Connected World*.

Safe travels and best wishes for your future endeavors!

See you in **Bangkok in Thailand** in 2024!!!
