

The 23rd IEEE/WIC International Conference on Web Intelligence and Intelligent Agent Technology

9-12 December 2024 | Bangkok, Thailand

A Hybrid Conference with both Online and Offline Modes

[The Workshop on Exploring High Dimensional Data: Methods, Challenges, and Applications \(EHDD\)](#)

Introduction:

The workshop on Exploring High Dimensional Data (EHDD) aims to provide a platform for researchers and practitioners to exchange ideas, discuss recent advances, and explore challenges and applications in the realm of high-dimensional data analysis. High-dimensional data arises in various domains such as bioinformatics, finance, image processing, social networks, and more. Dealing with such data poses unique methodological and computational challenges, necessitating the development of innovative techniques and tools.

Topics:

The workshop will cover but is not limited to:

- Dimensionality reduction techniques
- Feature selection and extraction methods
- Visualization and exploration of high-dimensional data
- Applications in healthcare, finance, social media, etc.

Important Dates:

- Submission deadline: 10th September 2024
- Review deadline: 10th October 2024
- Acceptance deadline: 17th October 2024
- Camera-ready: 10th November 2024
- Program ready: 10th December 2024

Submission Information:

We invite submissions that are one-page abstracts, short (4 pages)/full (8 pages) papers, case studies, surveys, and technical papers for The Workshop on Exploring High Dimensional Data: Methods, Challenges, and Applications (EHDD)
