

Conference Registration

The registration process for **WI-IAT 2026** is administered by **Daily Elite Events Pty Ltd**, a professional conference organising company appointed to manage conference registration services, including **registration processing, payment and banking arrangements, and invoicing**.

Registration is completed through the following process. Please read the instructions carefully before registering.

Registration Process

Step 1 – Complete the Registration Form

Please select and complete the appropriate registration form provided below.

The form will collect the information required to process your registration, including your contact details, registration category, paper information (where applicable), and invoicing details.

Step 2 – Receive Your Payment Link

Once your registration form has been received and processed, **Daily Elite Events Pty Ltd** will send a payment message to the **email address designated in the registration form**. The message will contain a payment link for the applicable registration fee.

Please check the information carefully and follow the link provided to proceed with payment.

Step 3 – Complete Payment

Follow the payment link and complete the registration fee payment using the available payment method.

Please note that **submission of the registration form alone does not constitute completed registration**. Your registration will only be confirmed after the required registration fee has been successfully received.

Payment links issued for the early-bird registration rate will **expire on 30 September 2026**, when the early-bird registration period closes. Participants wishing to receive the early-bird rate should ensure that payment is completed before this deadline.

Step 4 – Invoice and Registration Confirmation

Once payment has been successfully received:

- **Daily Elite Events Pty Ltd will issue an invoice/receipt** to the participant using the information provided in the registration form; and
- the **conference registration system will be updated** to record the completed registration.

Please allow reasonable processing time after payment for the invoice/receipt to be issued and the registration record to be updated.

Registration Forms

Please select the appropriate form for your registration category.

Author Registration Form

For authors of accepted papers, the Author Registration Form has been sent directly to the contact author's email address. Contact authors are strongly encouraged to check their email account carefully, including the Junk/Spam folder, to ensure that the registration message has not been missed.

If you are the contact author of an accepted paper and cannot locate the Author Registration Form, please contact invoice@dailyeliteevents.com.au, quoting your Paper ID and paper title.

Additional Author / General Participant Registration Form

For additional co-authors of accepted papers and general participants who are not registering an accepted paper:

[WI-IAT 2026 Additional Author / General Participant Registration Form – Fill out form](#)

Single Day Participant Registration Form

For participants attending the conference for one day only:

[WI-IAT 2026 Single Day Participant Registration Form – Fill out form](#)

Important Information for Authors

At least one author of each accepted paper must complete the required **Author Registration and payment** for the paper to be included in the conference program and considered for inclusion in the final proceedings.

Authors should ensure that the **Paper ID and paper information** provided in the registration form are accurate so that the registration can be correctly linked to the accepted paper.

Registration Administration and Enquiries

All registration-related administrative and financial processes, including **payment processing, banking arrangements, and invoicing**, are handled by **Daily Elite Events Pty Ltd** on behalf of the WI-IAT'26 Organising Committee.

For enquiries regarding registration, payment links, payment status, banking/payment matters, or invoices, please contact:

Email: invoice@dailyeliteevents.com.au

When making an enquiry, please include **the conference ID (WI-IAT'26), your full name, and Paper ID (if applicable)** to assist with processing.
